

PREPARE TO CARE

Siblings of Adults with Disabilities

2-Part Webinar Series This November

Emily Holl, Director of the Sibling Support Project, will conduct a 2-part webinar series for the benefit of adult siblings of people with Intellectual and Developmental Disabilities, or I/DD.

Adults with siblings who have special needs have unique experiences, responsibilities, concerns and family planning to think about. Fortunately, you are not alone. There are resources and support networks to help you navigate your way to positive outcomes for both you and your loved ones.

EVERYONE IS INVITED TO JOIN
